Pretests

There are three pretests—a pretest for the PMI® Professional in Business Analysis (PMI-PBA)®, CBAP®, and CPRE-FL exams. Each pretest has 25 exam-related, practice exam questions. Use no more than 30 minutes to complete each pretest.

It is recommended that you take all three pretests regardless of the particular exam for which you are preparing. The questions in all three pretests will be good training.
