

Conversation Starters

Use these conversation starters to get employees talking about change...

- I have a dream that we could do...
- An idea for this company that really inspires me is...
- Change can be more positive if we did this...
- Just imagine if we were the best in...
- If we were more proactive and less reactive we would be doing this...
- Trends that may impact us if we don't change include...
- We can beat our competition in the market if we...
- What if our customers said this about us...
- We could draw positive attention to the company by doing this...
