The central feature is a video player showing a man in a suit speaking on a stage. The video title is 'Leveraging the Power of Procurement' and it includes a 'FORUM2014' logo. Below the video, text reads 'Out of 15,000 hosts, Blog Talk Radio names Jon Hansen as one of their top 300 hosts'. To the right of the video is a 'Sign me up!' button. Below the video is a small portrait of Jon Hansen with his name 'JON HANSEN' above it. On the right side of the page, there are three sidebar widgets: 1) 'Follow Procurement Insights Blog' with a subscription form and 'Sign me up!' button. 2) 'Contribute to the Bloggers Defence Fund' with the quote 'We seek the truth and will endure the consequences.' 3) 'Click here to access the NIGP #CodeGate Post Archive' with a small image of a tree.
